# Join Hands to Advance Indonesia's Growth

The Covid-19 virus has become a global pandemic that has spread to more than 200 countries including Indonesia. This pandemic is not just a health concern - it has also severely impacted our personal and professional way of life and destabilized the global economy.

Despite these uncertainties, Sinar Mas is primed to weather the storm and emerge from it stronger. Sinar Mas acted swiftly to adapt to the situation: Innovative ideas were expeditiously adopted, strict health protocols were adhered to in all Sinar Mas workplaces, and assistance provided to help the Indonesian government fight the pandemic.

Sinar Mas remains steadfast in its commitment to sustainable business practices through its 7 main pillars. In partnership with the community, Sinar Mas continues to strive to support the Indonesian government, particularly in the economic, environmental, social, and health sectors.

In the midst of a crisis, there are opportunities for growth. Sinar Mas believes that the unity and support shown over the course of the pandemic, together with a commitment to innovation, will help Indonesia to overcome the situation and thrive.

## Businessmen show their support for Indonesia

To support the fight against Covid-19, members of the Indonesian Chamber of Commerce and Industry (*KADIN*) collaborated with Tzu Chi Foundation to raise funds to help Indonesian medical and public service personnel. With the support of the Indonesian Ministry of Health and *BNPB* (Indonesian National Board for Disaster Management), aid in the form of medical devices was distributed throughout Indonesia.

More than  
**100** industries  
participated

Funds collected  
amounted to more than  
**650** billion Rupiahs

The medical equipment  
was distributed to more than  
**25** provinces in Indonesia

## Supporting Indonesian Vocational Education

To support the government in creating a job ready workforce, Sinar Mas has established partnerships with the private sector to build a vocational education building at *Universitas Diponegoro (UNDIP)*, Semarang. The building, which is well-equipped with the latest technology, will later be used by *Undip* Vocational students from D3 to Applied S1 programs.

The building area spans  
**4,900 m<sup>2</sup>**  
with a green building concept and a futuristic design

*Undip* Vocational Students are also provided with digital and **business training as well as mentoring**

## Solar Electrification for Rural Homes

In support of the national electrification program, Sinar Mas together with the Ministry of Energy and Mineral Resources and PLN installed Solar Home Electricity kits (*LRTS*) and generators, and provided grid connections to help people living in remote, frontier, and disadvantaged (3T) areas. This access to electricity is expected to improve the quality of life for the community.

More than  
**6,000** households  
received electrification  
assistance from Sinar Mas

Electrification assistance  
comprised the provision of  
**Solar Home Electricity  
kits (*LRTS*)** and generators,  
as well as connection  
to the grid
