

Stand Together with Indonesia

Stand Together with Indonesia

The birth and development of Sinar Mas which now has 7 main business pillars is intertwined with the long history of Indonesia. The rise of Indonesia through its independence, was accompanied by the flourishing business of Sinar Mas.

After more than 8 decades, Sinar Mas is committed to the welfare of the Indonesian people, regardless of the situation. This was especially shown in our response to the COVID-19 pandemic that hit many countries, including Indonesia, over the last two years. This monumental challenge spurred Sinar Mas to continue to contribute and help ease Indonesia's burden in fighting the pandemic.

The unyielding spirit and socially responsible nature passed on by our Founding Father, Eka Tjipta Widjaja, has enabled Sinar Mas to journey alongside Indonesia.

In his business journey, Eka Tjipta Widjaja didn't always get his way. The twists and turns, failures, and difficulties did not break his spirit to get back on his feet quickly and keep trying. Eka Tjipta Widjaja's life is an inspiration for us to never give up no matter how hard life gets.

*“Saya tidak boleh patah semangat.”*

Never give up.

Conjoined twins successfully separated

## Embracing the Values of Compassion and Tolerance

Through medical missions, Tzu Chi Sinar Mas' volunteers help patients suffering from cataracts, hernia, and cleft-lips, as well as the separation of conjoined twins, Abdullah & Ibrahim from Central Borneo who have undergone successful surgery in September 2021. Tzu Chi Sinar Mas also supports education by providing scholarships and programs focusing on character building, personal hygiene, and environmental protection for schools around Sinar Mas' operational areas. With the spirit of No Good Deed is Too Small, Tzu Chi Sinar Mas has around 1,8 million donors, most of which through humble "Bamboo Bank" for coins.

More than **6,200** beneficiaries has been reached

Volunteers are spread over **30** regions in the country

## Desa Makmur Peduli Api (DMPA)

Our commitment to environmental stewardship is manifested in our Integrated Forestry and Farming System (*Desa Makmur Peduli Api*), a program aimed at improving the livelihoods of community surrounding our operations. Villagers are encouraged to participate in sustainable forest management through agro-forestry and assisted in marketing their products. Meanwhile, teachers are equipped with virtual learning platforms and tools that can be used to educate students the importance of preventing forest fires.

Photos were taken before the COVID-19 pandemic

More than **31,000** heads of families benefited

Up to **400** teachers reached through virtual workshops
